

Project Selection with Application

List 3 different projects that you would be interested in using for your science fair project. Remember to choose projects that you find interesting and that your parents also agree with.

- 1-3- Briefly **describe** each project so that your teacher can understand what it entails.
- A-C: Include 3 ways this project can impact, help, affect society (consumers, students, science, etc.) If this project does not have **applications** rethink it or find another one.
- **Rate each of the 3 projects** on a scale of 1-3, one being the project you like the most and 3 being the project you like the least.

1. Problem: _____ Rank: _____

Description: _____

a. _____

b. _____

c. _____

2. Problem: _____ Rank: _____

Description: _____

a. _____

b. _____

c. _____

3. Problem: _____ Rank: _____

Description: _____

a. _____

b. _____

c. _____
